Refugee Demonstration Project

The RDP has been added to the Employment Services Function claim pages to identify costs for the performance of cause determinations for RDP. The cost for this activity had been claimed to the Social Services Function. However, per All-County Letter (ACL) #86-62, this activity and related costs were transferred to the established Employment Services Function. The RDP line has been deleted from the Social Services claim pages.

Employment Services Program Non-GAIN Child Care

As stated in the ACL #87-32 Errata, child care costs incurred on behalf of participants in the Employment Search Program Non-GAIN are to be reported on the DFA 325.1B, Direct Costs Detail Schedule. These costs are to be entered on the DFA 327.4D and carried throughout the claim. Funding will be 50 percent federal and 50 percent state.

There are no other claim changes for the April - June 1987 quarter. If you have any questions or need additional information, contact the Fiscal Policy and Procedures Bureau at (916) 445-7046.
